

# Ski tour trip Chile

Firn tours at the Pacific Ring of Fire

*Chile stretches for 4350 kilometres from the border of Peru till Tierra del Fuego. The central part of the country is sprinkled with National Parks. Beside the mountains, lakes and forests the National Parks offer a very pleasant climate. Furthermore, there is a whole range of appealing and fascinating volcanos such as Lomquimay, Antuco, Osorno, Llamia, Villarica..... we won't have to choose a few, we can do them all. We will be staying overnight in comfortable accommodations in the valley. Spring is here in September/October and we can bath in hot springs, taste the Chilean food and the good wine.*

*Important to know ...*

---

**Meeting point:**

Temuco according to arrangement

**Requirements:**

The Chilean volcanos aren't technically demanding but shouldn't be underestimated as they show very long and hard firm slopes during the morning hours. This requires confident and secure handling of ski crampons/crampons during the ascend.

Each participant must also be able to ski securely at 35° - 40° steepness and manage ascends between 1100 – 1500 meters of altitude per day without any problems.

**Weather:**

Weather and snow conditions can be extreme in the mountains. Two till three days before we arrive, we will check the current weather forecast and the conditions in the area we are going. You will be informed immediately if there are any changes to the plan.

**GENERAL TRAVEL INFORMATION**

You need a passport with validity for at least 6 months upon departure. There are no vaccinations required for Austrian citizens.

We do however recommend seeing your general practitioner approximately 8 weeks before departure. Austria and Chile do not have a social insurance agreement. We also strongly recommend taking out an overseas health insurance. We can offer a travel and cancellation insurance through our partner, "die Europäische Reiseversicherung" (The European Travel Insurance).

If the minimum of participants has not been reached until two months before departure the tour operator can cancel the trip free of costs. Advance payments as well as the cost of the travel insurance will be transferred back to your account after the cancellation.
