

# Freeriding – King Lines

...the best Powder runs in the Ziller Valley

*The King Lines are the most terrific lines on the Hintertux glacier. These are high-alpine freeride tours, which lead partially across glaciers and exposed ridges into hidden valleys. In some areas, you might even have to rappel down steep chutes in order to reach untouched slopes. Descents up to 2000 m through the beautiful, high-alpine landscape of the Ziller Valley Alps will be an intrinsic part of this unforgettable day.*
